2021-2022: Black Gold Juvenile Team

Calgary Synchronized Skating Club

It is our pleasure to welcome all the participating clubs, skaters, parents and fans to the 37th annual Rose Bowl Synchronized Skating Competition! Dedicated preparation by the Black Gold club has allowed us to continue hosting this annual event since 1983.

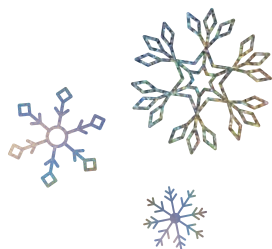

Synchronized skating continues to build and gain ground across Western Canada, as well as the World stage. Each year's competition challenges teams to prepare to perform in front of an audience for the first time in the competitive season. This year will showcase the best teams Western Canada has to offer - we would like to thank all teams for their club's commitment in attending as this would not be possible to host without your efforts.

Volunteers are the essential component in hosting the Rose Bowl competition. It would not be possible without the support of the 100+ volunteers it takes to run this event. Thank you for participating and committing your valuable time to ensure the best experience for all of the skaters, managers, coaches and officials.

Best of luck to all the teams today and continued success throughout the rest of the season. We hope you have a great skate, achieve your team goals and have fun!
